- 11.5 The Customer acknowledges that Highway Care is reliant on the Customer for direction as to the extent to which Highway Care is entitled to use and process the Personal Data. Consequently, Highway Care will not be liable for any claim brought by a Data Subject arising from any action or omission by Highway Care, to the extent that such action or omission resulted directly from the Customer's instructions.
- 11.6 The Customer specifically authorises the appointment of any sub-processor set out on in the Order, in the Specification or identified in the Contract or otherwise notified to the Customer and generally authorises Highway Care to appoint further or alternative sub-processors. Where Highway Care appoints or replaces a sub-processor it shall notify the Customer not less than 30 days in advance of any intended changes concerning the addition or replacement of such sub-processors.
- ## 12 CONFIDENTIALITY
- 12.1 Each party undertakes that it shall not at any time during this Contract, and for a period five years after termination, disclose to any person any confidential information concerning the business, affairs, finances, customers, clients or suppliers of the other party or of any member of the group to which the other party belongs, except as permitted by clause 12.2.
- 12.2 Each party may disclose the other party's confidential information:
- 12.2.1 with the prior written consent of the other party;
- 12.2.2 to its employees, officers, representatives or advisers who need to know such information for the purposes of exercising the party's rights or carrying out its obligations under or in connection with this Contract. Each party shall ensure that its employees, officers, representatives or advisers to whom it discloses the other party's confidential information comply with this clause 12; or
- 12.2.3 as may be required by law, a court of competent jurisdiction or any governmental or regulatory authority.
- 12.3 No party shall use any other party's confidential information for any purpose other than to exercise its rights and perform its obligations under or in connection with this Contract.
- ## 13 LIMITATION OF LIABILITY
- 13.1 Nothing in these Conditions shall limit or exclude Highway Care's liability for:
- 13.1.1 death or personal injury caused by its negligence, or the negligence of its employees, agents or subcontractors;

- 13.1.2 fraud or fraudulent misrepresentation;
- 13.1.3 breach of the terms implied by section 2 of the Supply of Goods and Services Act 1982 (title and quiet possession);
- 13.1.4 breach of the terms implied by section 12 of the Sale of Goods Act 1979 (title and quiet possession).
- 13.2 Subject to clause 13.1:
- 13.2.1 Highway Care shall not be liable to the Customer, whether in contract, tort (including negligence), breach of statutory duty, or otherwise, for any loss of profit, loss of business, loss of customers, loss of anticipated savings, loss of opportunity, loss or damage to goodwill, or for any indirect or consequential loss arising under or in connection with the Contract (including any losses that may result from a deliberate or negligent breach of the Contract by Highway Care, its employees, agents or subcontractors); and
- 13.2.2 in relation to any damage to physical property caused by the negligence of Highway Care exceed £50,000 in relation to any event or series of connected events;
- 13.2.3 Highway Care's total liability to the Customer in respect of all other losses arising under or in connection with the Contract, whether in contract, tort (including negligence), breach of statutory duty, or otherwise, including losses caused by a deliberate breach of the Contract by Highway Care, its employees, agents or subcontractors shall not exceed the price paid or payable to Highway Care for the Goods and/or Services as applicable under the Contract.
- 13.3 Except as set out in these Conditions, all warranties, conditions and other terms implied by statute or common law are, to the fullest extent permitted by law, excluded from the Contract.
- 13.4 This clause 13 shall survive termination of the Contract.
- 14 TERMINATION**
- 14.1 Without limiting its other rights or remedies, each party may terminate the Contract with immediate effect by giving written notice to the other party if:
- 14.1.1 the other party fails to pay any undisputed amount due under the Contract on the due date for payment and remains in default not less than 14 days after being notified in writing to make such payment;
- 14.1.2 the other party commits a material breach of its obligations under this Contract and (if such breach is remediable) fails to remedy that breach within 28 days after receipt of notice in writing of the breach; or
- 14.1.3 the other party has an administrative or other receiver, manager, trustee, liquidator, administrator or similar officer appointed over all or any substantial part of its assets, or the other party enters into or proposes any composition or arrangement with its creditors generally, or is unable to pay its debts (within the meaning of section 123 of the Insolvency Act 1986), or becomes insolvent or bankrupt or is subject to an order or a resolution for its liquidation, administration, winding-up or dissolution (otherwise than for the purposes of a solvent amalgamation or reconstruction).
- 14.2 Notwithstanding termination in accordance with clause 14.1, the Customer shall pay to Highway Care on a pro rata basis for all work done, materials used and Goods delivered up to and including the date of termination.
- 14.3 Without limiting its other rights or remedies, Highway Care may terminate the Contract:
- 14.3.1 by giving the Customer one months' written notice;
- 14.3.2 with immediate effect by giving written notice to the Customer if the Customer fails to pay any amount due under the Contract on the due date for payment.
- 14.4 The Customer may terminate the Contract, provided such Contract relates solely to the provision of Services, for convenience at any time by giving written notice to Highway Care and always subject to clause 15.
- 14.5 Without limiting its other rights or remedies, Highway Care shall have the right to suspend the supply of Services or all further deliveries of Goods under the Contract or any other contract between the Customer and Highway Care if:
- 14.5.1 the Customer fails to make pay any amount due under this Contract on the due date for payment; or
- 14.5.2 the Customer becomes subject to any of the events listed in clause 14.1.3 or Highway Care reasonably believes that the Customer is about to become subject to any of them.
- 15 CONSEQUENCES OF TERMINATION**
- On termination of the Contract for any reason:
- 15.1.1 the Customer shall immediately pay to Highway Care: (a) all of Highway Care's outstanding unpaid invoices and interest; (b) in respect of Services supplied but for which no invoice has yet been submitted, Highway Care shall submit an invoice, which shall be payable by the Customer immediately on receipt; and (c) any sum which Highway Care is committed to pay as a consequence of entering into the Contract, which shall become immediately due and payable;

15.1.2 the parties acknowledge that in order to mitigate any potential loss (by reallocating resources) in circumstances where the Customer wishes to terminate for convenience, Highway Care requires certain minimum periods of notice. In recognition of this, in the event that the Customer gives notice to terminate which is: (a) less than 1 Business Day before the scheduled commencement of the Services, 100% of the charges shall be immediately due and payable to Highway Care; (b) less than 2 Business Days before the scheduled commencement of the Services, 50% of the Fees shall be immediately due and payable to Highway Care; or (c) less than 5 Business Days before the scheduled commencement of the Services, 25% of the charges shall be immediately due and payable to Highway Care;

15.1.3 the Customer shall return all of Highway Care Materials and any Deliverables or Goods which have not been fully paid for. If the Customer fails to do so, then Highway Care may enter the Customer's premises and take possession of them. Until they have been returned, the Customer shall be solely responsible for their safe keeping and will not use them for any purpose not connected with this Contract;

15.1.4 the accrued rights and remedies of the parties as at termination or expiry shall not be affected, including the right to claim damages in respect of any breach of the Contract which existed at or before the date of termination or expiry; and

15.1.5 clauses which expressly or by implication have effect after termination or expiry shall continue in full force and effect.

16 GENERAL

16.1 **Force majeure:** Highway Care shall not be liable to the Customer as a result of any delay or failure to perform its obligations under this Contract as a result of a Force Majeure Event. If the Force Majeure Event prevents Highway Care from providing any of the Services and/or Goods for more than 4 weeks, Highway Care shall, without limiting its other rights or remedies, have the right to terminate this Contract immediately by giving written notice to the Customer.

16.2 Assignment and subcontracting:

16.2.1 Highway Care may at any time assign, transfer, charge, subcontract or deal in any other manner with all or any of its rights under the Contract and may subcontract or delegate in any manner any or all of its obligations under the Contract to any third party.

16.2.2 The Customer shall not, without the prior written consent of Highway Care, assign, transfer, charge, subcontract or deal in any other manner with all

or any of its rights or obligations under the Contract.

16.3 Notices:

16.3.1 Any notice or other communication required to be given to a party under or in connection with this Contract shall be in writing and shall be delivered to the other party personally or sent by prepaid first-class post, recorded delivery or by commercial courier, at its registered office (if a company) or (in any other case) its principal place of business, or sent by fax to the other party's main fax number.

16.3.2 Any notice or other communication shall be deemed to have been duly received if delivered personally, when left at such address or, if sent by prepaid first-class post or recorded delivery, at 9.00 am on the second Business Day after posting, or if delivered by commercial courier, on the date and at the time that the courier's delivery receipt is signed, or if sent by fax, on the next Business Day after transmission.

16.3.3 This clause 16.3 shall not apply to the service of any proceedings or other documents in any legal action. For the purposes of this clause, "writing" shall not include e-mails and for the avoidance of doubt notice given under this Contract shall not be validly served if sent by e-mail.

16.4 **Waiver and cumulative remedies:** A waiver of any right under the Contract is only effective if it is in writing and shall not be deemed to be a waiver of any subsequent breach or default. No failure or delay by a party in exercising any right or remedy under the Contract or by law shall constitute a waiver of that or any other right or remedy, nor preclude or restrict its further exercise. No single or partial exercise of such right or remedy shall preclude or restrict the further exercise of that or any other right or remedy.

16.5 Severance:

16.5.1 If a court or any other competent authority finds that any provision of the Contract (or part of any provision) is invalid, illegal or unenforceable, that provision or part-provision shall, to the extent required, be deemed deleted, and the validity and enforceability of the other provisions of the Contract shall not be affected.

16.5.2 If any invalid, unenforceable or illegal provision of the Contract would be valid, enforceable and legal if some part of it were deleted, the provision shall apply with the minimum modification necessary to make it legal, valid and enforceable.

16.6 **No partnership or agency:** Nothing in the Contract is intended to, or shall be deemed to, constitute a partnership or joint venture of any kind between any of the parties, nor constitute any party the agent of another

party for any purpose. No party shall have authority to act as agent for, or to bind, the other party in any way.

- 16.7 **Third parties rights:** A person who is not a party to the Contract shall not have any rights under or in connection with it.
- 16.8 **Variation:** Except as set out in these Conditions, any variation, including the introduction of any additional terms and conditions, to the Contract shall only be binding when agreed in writing and signed by Highway Care.
- 16.9 **Governing law and jurisdiction:** This Contract, and any dispute or claim arising out of or in connection with it or its subject matter or formation (including non- contractual disputes or claims), shall be governed by, and construed in accordance with, English law, and the parties irrevocably submit to the exclusive jurisdiction of the courts of England and Wales.
