# The Claw Drop-and-Go HVM Barrier

The Claw is a versatile drop-and-go hostile vehicle mitigation barrier, which can be used for a variety of security needs to prevent vehicle incursions and provide a visual deterrent to unauthorised vehicle access. Fully customisable with branded vinyls or directional signage, The Claw can also be a multi-tasker with refuse bins and bicycle rack installations available, combining security with practicality.

- Surface mounted
- No fixing or anchoring required
- Suitable for installation over kerbs, on curves and against walls
- Fully galvanised
- Fast and simple to deploy
- Tamper resistant
- No guarding requirement
- Customisation options
